

WELCOME TO TALIESIN PRESERVATION

MAKE YOUR NEXT EVENT HISTORIC

Host your event on a global scale at Wisconsin's only public UNESCO World Heritage site. The rural Driftless Area of Southwestern Wisconsin creates an atmosphere unlike any other in the world. Frank Lloyd Wright's architecture comes alive during private events, and when guests arrive, they will immediately be captivated. Their perception will open up and transform their experience.

Taliesin is Wright's home, studio, school, and country estate, located near Spring Green, WI. Taliesin includes seven buildings representing nearly every decade of Wright's career.

Take a private tour of the property, enjoy the historic spaces and charm your guests with a dinner overlooking the hills and valleys at sunset. Soak up the history, innovation, and forward-thinking questions that can only be found at Taliesin.

HILLSIDE ASSEMBLY HALL

INDOOR SEATS 70 STANDING 80

Enjoy this bright two-story expansive room to host your next event. This space captures Wright's creative and ground-breaking design by "breaking the box."

Part of the original Hillside Home School, the Assembly Hall has always provided a place to gather. Today it remains an open space inviting for building community and medium sized celebrations. This multi-functional space is perfect for various workshops, working lunches, networking, cocktail mixers, dinner parties, and more. This space is the most flexible and most versatile space on the estate.

HILLSIDE THEATER*

INDOOR SEATS 100 STANDING 110

Settle into this intimate space and marvel at the acoustics. Guests will be delighted by the comfort of the Hillside Theater.

Guests will notice fresh paint and plasterwork, a functioning bar, improved climate control, ADA-accessible bathrooms, and room for more people on stage. New lighting and camera systems will allow the possibility to enjoy the event virtually.

Hosts or Performers will enjoy new green room spaces. The improvements create an inviting and inclusive space to attract lectures, performances, symposia, film screenings, and other events.
