Welcome to Taliesin Preservation

Host your event on a global scale at Wisconsin’s only public UNESCO World Heritage site.

Taliesin is Frank Lloyd Wright’s home, studio, school, and country estate located near Spring Green in the Driftless Region of Southwestern Wisconsin.

Guests will be captivated and transformed as they mix and mingle in the unique architecture of Frank Lloyd Wright. The estate includes seven buildings representing nearly every decade of Wright’s career.

Take a private tour of the estate, enjoy the historic spaces and charm your guests with a dinner overlooking the hills and valleys at sunset.

Soak up the history, innovation, and forward-thinking questions that can only be found at Taliesin.

HILLSIDE ASSEMBLY HALL
INDOOR SEATS 70 STANDING 80

Enjoy this bright two-story expansive room to host your next event. This space captures Wright’s creative and ground-breaking design by “breaking the box.”

Part of the original Hillside Home School, the Assembly Hall has always provided a place to gather. Today it remains an open space that is inviting for building community and medium-sized celebrations. This multi-functional space is perfect for various workshops, working lunches, networking, cocktail mixers, dinner parties, and more.

With the versatility of this space and open floor plan, the possibilities for events are endless.
HILLSIDE DINING HALL

INDOOR SEATS 50 STANDING 60

Feel elegant and special while surrounded by Wright’s signature pendant lights and artifacts at the Hillside Dining Hall. Make any event feel one-of-a-kind as you wine and dine in this space.

Once used by the Fellowship, the Dining Hall had a weekly array of layouts and décor, as apprentices exercised their mind in design. This was one of Wright’s later additions to this building, completed by his apprentices in 1955 and furnished with the chairs and tables guests will see in there today. This space moves in harmony with the natural hill the building sits upon, overlooking the Hillside Theater.

Join in with your guests and sit down in this unique and tranquil space for any special event.
HILLSIDE THEATRE

INDOOR SEATS 100  STANDING 110

Settle in to this intimate space and marvel at the acoustics as guests are delighted by the comfort of the newly restored Hillside Theatre.

Guests will notice fresh paint and plasterwork, a functioning bar, improved climate control, ADA-accessible bathrooms, and room for more people on stage. New lighting and camera systems will allow guests to attend the event virtually.

Hosts and performers will enjoy the new green room spaces. The improvements create an inviting and inclusive space to attract lectures, performances, symposia, film screenings, and more.

AVAILABLE FOR EVENTS IN 2024
HILLSIDE DRAFTING STUDIO

INDOOR SEAT/STANDING 75

Be immersed in abstract design and bring your event to new heights in the Hillside Drafting Studio.

Wright’s addition to the Hillside building brings nature inside with his “abstract forest.” Watch as the room fills with dappled light from the clerestory windows and exposed beams that make up the forest.

Guests will feel one with architects of years past as they settle in comfort among the plywood drafting tables and rejuvenate their creativity. Occasionally used for dance rehearsals in the past, this innovative space can host a variety of events such as workshops, lectures, networking, and more.
TALIESIN

INDOOR/OUTDOOR STANDING 125

If you seek the best of everything, Taliesin is for you. Wright created this iconic place and has made his home a legacy for hospitality. Enhance your event at Wisconsin’s premiere destination. Taliesin is the perfect place for large or small functions.

Step back in time and host a social or business event just as Wright did. Your entire group will feel like cherished guests of the Wrights as you dwell in their living room and surroundings.

Taliesin is the crown jewel of the spaces we offer. Your event venue should be as unique as you and your guests. The surrounding driftless area will create a stunning backdrop, viewable from all sides and angles.
WRIGHT’S STUDIO

INDOOR SEATS 24 STANDING 50

As his personal sanctuary, Frank Lloyd Wright’s studio is located adjacent to the main part of the home and courtyards. Wright’s studio invites meeting planners to break out into smaller groups or host an exclusive dinner party for small and intimate affairs.

This room is in the heart of the Taliesin property and features built-in furniture, several seating alcoves, and a band of clerestory windows to surround your guests in natural light. Guests will also enjoy a direct view of the beautifully landscaped courtyard and tea circle.
TAN-Y-DERI & HILL

INDOOR SEATS & STANDING 40 | OUTDOOR SEATS 125 | STANDING 50

With sweeping panoramic views of the Taliesin estate, Tan-y-Deri is the perfect place for gathering and convening. Designed for Wright’s sister, this prairie-style home is complete with a kitchen, living room, and open lawn, making this an exclusive and inviting spot.

Tan-y-Deri is casual in design and is steps away from the Romeo and Juliet windmill tower and surrounded by a shady grove of Burr Oak trees. Tan-y-Deri has undergone a complete and comprehensive restoration and offers modern amenities in addition to spectacular views. Flexibility for daytime functions and a clean outdoor slate awaits your creativity.
FRANK LLOYD WRIGHT VISITOR CENTER
AT RIVERVIEW TERRACE

INDOOR SEATS 100 | STANDING 125

The Frank Lloyd Wright Visitor Center at Riverview Terrace was designed by Wright to be the gateway to Taliesin. The beauty of the Wisconsin River takes center stage as the large band of windows look out over the Highway 23 bridge and Peck’s Landing with guest appearances from wildlife and migratory birds.

Once a bustling restaurant, the Frank Lloyd Wright Visitor Center at Riverview Terrace can be used in addition to an event on the Taliesin estate or as a stand-alone venue. The ability to divide the space into three rooms allows for flexible layouts to transform conference meetings, dining services and receptions. This venue is also the most ADA-accessible of our historic spaces.
EVENT PLANNING

From gracious service to legendary hospitality, our event staff will help you host the perfect event. We will work with you to tour the spaces, create a custom proposal and contract for your event, coordinate timing with your vendors, and provide the necessary staff on-site for the duration. We do not provide linens, chairs, tables, or any other furniture rental beyond what is already on-site. You’ll need to arrange all such services through third-party vendors.
